REMARKS

TECHNOLOGY CENTER R3700

Applicants have submitted herewith a substitute specification, excluding the claims, under 37 C.F.R. § 1.125 for the Examiner's convenience, since a large number of changes have been made. The changes were made in the specification to correct grammatical and typographical errors, as well as for clarity. Accordingly, no new matter has been added to the substitute specification. A marked-up copy of the original specification excluding the claims is also enclosed showing the changes made.

In view of the foregoing, Applicants respectfully request favorable reconsideration and allowance of the present claims. In the event there remains any impediment to allowance of the claims, which could be clarified in a telephone interview, the Examiner is respectfully requested to contact the undersigned attorney.

Dated this 5 day of September, 2003.

Respectfully submitted,

FRASER D. ROY
